

APPLICATION FOR EQUIVALENCY CERTIFICATE

What is equivalence? It is the process of examining documents such as report cards, transcripts, learning certificates, certificates, certificates, leaving certificates and diplomas obtained from primary and secondary education institutions abroad and determining to which class/field/department/discipline of primary and secondary education institutions in Turkey the education received is equivalent. (Ministry of National Education Equivalency Regulation)

Equivalency Certificate Online Application: <https://edenklik.meb.gov.tr/Home/OnlineOnBasvuru?culture=tr-TR>

Equivalency procedures The equivalency process is organized by the Provincial Directorates of National Education in Turkey and by educational consultancies and attaché offices abroad. Applications for equivalency are also made to these institutions (Ministry of National Education Equivalency Regulation).
